Professional Summary

Detail-oriented **MCA** student at **Chandigarh University** specializing in Data Structures & Algorithms and Full-Stack Development. Skilled in Java, Python, JavaScript, React.js, Node.js and database management, with hands-on experience in building scalable web applications. Seeking a Software Developer / Full-Stack Developer role to leverage strong problem-solving, teamwork, and technical skills in a professional environment.

Education

Master of Computer Applications (MCA) Chandigarh University, Mohali CGPA: 7.5 / 10.0	2025 – 2027
---	-------------

Bachelor of Computer Application (BCA) Rajasthan University, Jaipur Percentage: 64%	2022 – 2025
--	-------------

Technical Skills

- **Languages:** Java, Python, JavaScript
- **Frontend:** HTML5, CSS3, React.js,
- **Backend:** Node.js, Express.js
- **Databases & Tools:** MongoDB, MySQL
- **Concepts:** DSA, Version Control

Internship Experience

Software Developer Intern — EY	March 2025 – April 2025
• Developed and tested authentication, product listing, and order management modules for a MERN Stack Food Delivery Application. • Built and integrated RESTful APIs using React.js, Node.js, Express.js, and MongoDB. • Worked with GitHub, debugging, backend optimization, and agile development practices.	

Projects

Food Delivery Web Application — Full-Stack Project Lead
• Developed a responsive MERN Stack food delivery platform with authentication, cart, order tracking, and admin modules. • Integrated frontend/backend systems using RESTful APIs and MongoDB.

Blockchain-Based Cryptocurrency System (Ongoing)
• Developing a blockchain-based cryptocurrency system using hashing, wallet systems, transaction validation, and peer-to-peer transaction concepts. • Exploring cryptography, decentralization, and secure transaction handling.

Achievements & Certifications

- Completed DSA Course from [GeeksforGeeks](#).
- Regularly solving coding challenges focused on algorithm optimization and problem-solving.
- Built multiple Full-Stack Web Applications using the MERN Stack.
- Contributing to **GitHub projects** using version control and collaborative development practices.

Hobbies & Interests

- Competitive Programming
- Full-Stack Web Development
- Open Source Contributions
- Learning New Technologies
